3. Click ‘Start Curriculum’ for the Safe Environment Training.

Safe Haven is a required program of the Sacramento Diocese in order to work with children under 18, in addition to fingerprinting. The on-line training program, Safe Haven, is available in both English and Spanish. You are required to complete a child abuse prevention and diocesan policy training program once every three years. Thank you very much for your cooperation with this matter as we strive to follow the Diocesan Guidelines and to make sure all of our children are safe.
